Headteacher's Message

Another busy week has flown by! This week Year 5 enjoyed their trip to Cattle Country, we welcomed our new Reception children into school with a Teddy Bear's picnic and Year 4 had their class assembly. I wish the weather would make up its mind though and apologises again for having to postpone the class photographs and Sports day. Please check the calendar to see the rearranged dates and thank you for your understanding. We are looking forward to welcoming lots of you into school next week for Special Person's lunch.

Have a lovely weekend and lets hope the sun shines a bit more next week!

World Cup Sweepstake

A reminder that we are holding a World Cup Sweepstake. Children can pay £1 (on ParentPay) to take part. Children who enter will be randomly allocated a country to represent during the World Cup. The pupils who represent the final 8 teams will receive a small prize. The pupils representing the winning team will also get the chance to choose some new outdoor equipment for us to buy using the money raised!

Class photographs

2025-2026

A reminder that we are having class photographs on **Tuesday 16th June**. All children need to be in full school uniform—not PE Kit.

If your child attends Preschool but does not attend on a Tuesday—please bring them into school at 9.00am—so that they can have their photo taken with their friends. You will need to stay with them.

Many thanks

Hiller Highlights

Happy Hillers Preschool

"We have been celebrating World Ocean Day this week and on Monday we went on an underwater adventure exploring under the sea. We created amazing sea creatures, explored the shore-line and used nets to catch colourful fishes. We practiced yoga under the water and learnt a divindg dance"

Reception

"We have had a super week exploring materials to make boats. We have learnt about materials that are waterproof and those that float. We have enjoyed listening to the story of Captain Yellowbelly a really awful pirate. We can't wait to meet Pirate Penny and design a new boat for her!"

Year 1

"We have totally smashed our phonics screening this week and all of the staff are SO proud of us. We have all worked so hard and it has paid off. We have also been working hard in our Maths lessons learning multiplication counting in 2s, 5s and 10s"

Year 2

"This week we have been practicing our relay athletic skills ready for sports day later in the term. Thank you Mr Hawkins for our extra lesson. We have also been working hard on our end of year reading assessments!"

Year 3

"We have had a great week and have blown the staff away with our incredible writing and have produced fab historic adventure stories. We have also begun to learn rounders in PE which we have loved"

Year 4

"This week we have worked hard on our MTC check and to show off all of our hard work and practice. In Science, we loved the research lesson using QR codes to make a good chain. In Writing we have started writing all about Greece and have been sharing our holiday experiences to help with out reports"

Year 5

"We have had such a busy week starting off with our trip to Cattle Country where we even got Miss Rush down the death slide! A huge thank you to the Rotary Club for organising and funding the trip. We were so well behaved and represented our school with pride!"

Year 6

"We have had a good week completing our computing unit "We are advertisers" by creating some fantastic adverts for PGL. We have started our new writing unit based on the poem "The Highwayman" and have loved getting to know the tragic story it tells. We have also been working really hard on our end of term production—we sound amazing!"
